

Giving an opinion

As far as I'm concerned...
In my opinion...
From my point of view ...
I think...
If you ask me ...
Well, I reckon that ...
The way I see it...

Asking for an opinion

How do you feel about that?
What do you think?
Do you see what I'm getting at?
Wouldn't you say ...?
Do you agree?
What are your thoughts on that?
Would you go along with that?

Agreeing

I completely agree.
That's exactly how I feel.
You're right.
I was just going to say that.

That's for sure.
I guess/ suppose so.
You're absolutely right.
I couldn't agree more.
No doubt about it.
You may have a point there.

Disagreeing

I completely disagree.
I totally disagree.
I beg to differ.
That's not always true.
That's not always the case.
I'm not so sure about that.
I don't know if I agree with you.

Interrupting

Sorry to interrupt, but...
Is it okay if I jump in for a second?
Can I add something?
Sorry, you were saying...

Partly agreeing

I agree with you, but...
That may be true, but...
I see your point, but...
I guess so, but...
That's not necessarily true
because...
Not necessarily because...
